

DUNA PEARL COURTYARD AWAITS ITS NEW BRANDS...

Duna Pearl springs to life in one of the most popular areas on the Pest side of the capital city of Hungary, in the 13th District of Budapest. Consisting of residences and hotels on the bank of the Danube in Újpest, the Duna Pearl Courtyard includes the retail areas. It's a unique masterpiece with its stylish and timeless homes while its Courtyard concept brings a new breath to the city.

CAFE, RESTAURANT & COURTYARD

Featuring the luxury residences and an international branded 4-star business hotel (Four Points by Sheraton), one of the remarkable features of Duna Pearl will be its retail areas located parallel to the street.

In addition to the most elegant restaurants and cafes of the 13th District, there is also a Courtyard on the ground floor. The Courtyard garden, located in the middle of the area reserved for the restaurant, the hotel and the retail spaces, provides the project with an incredible green space. In doing so, it also provides a private space for the homeowners to socialize.

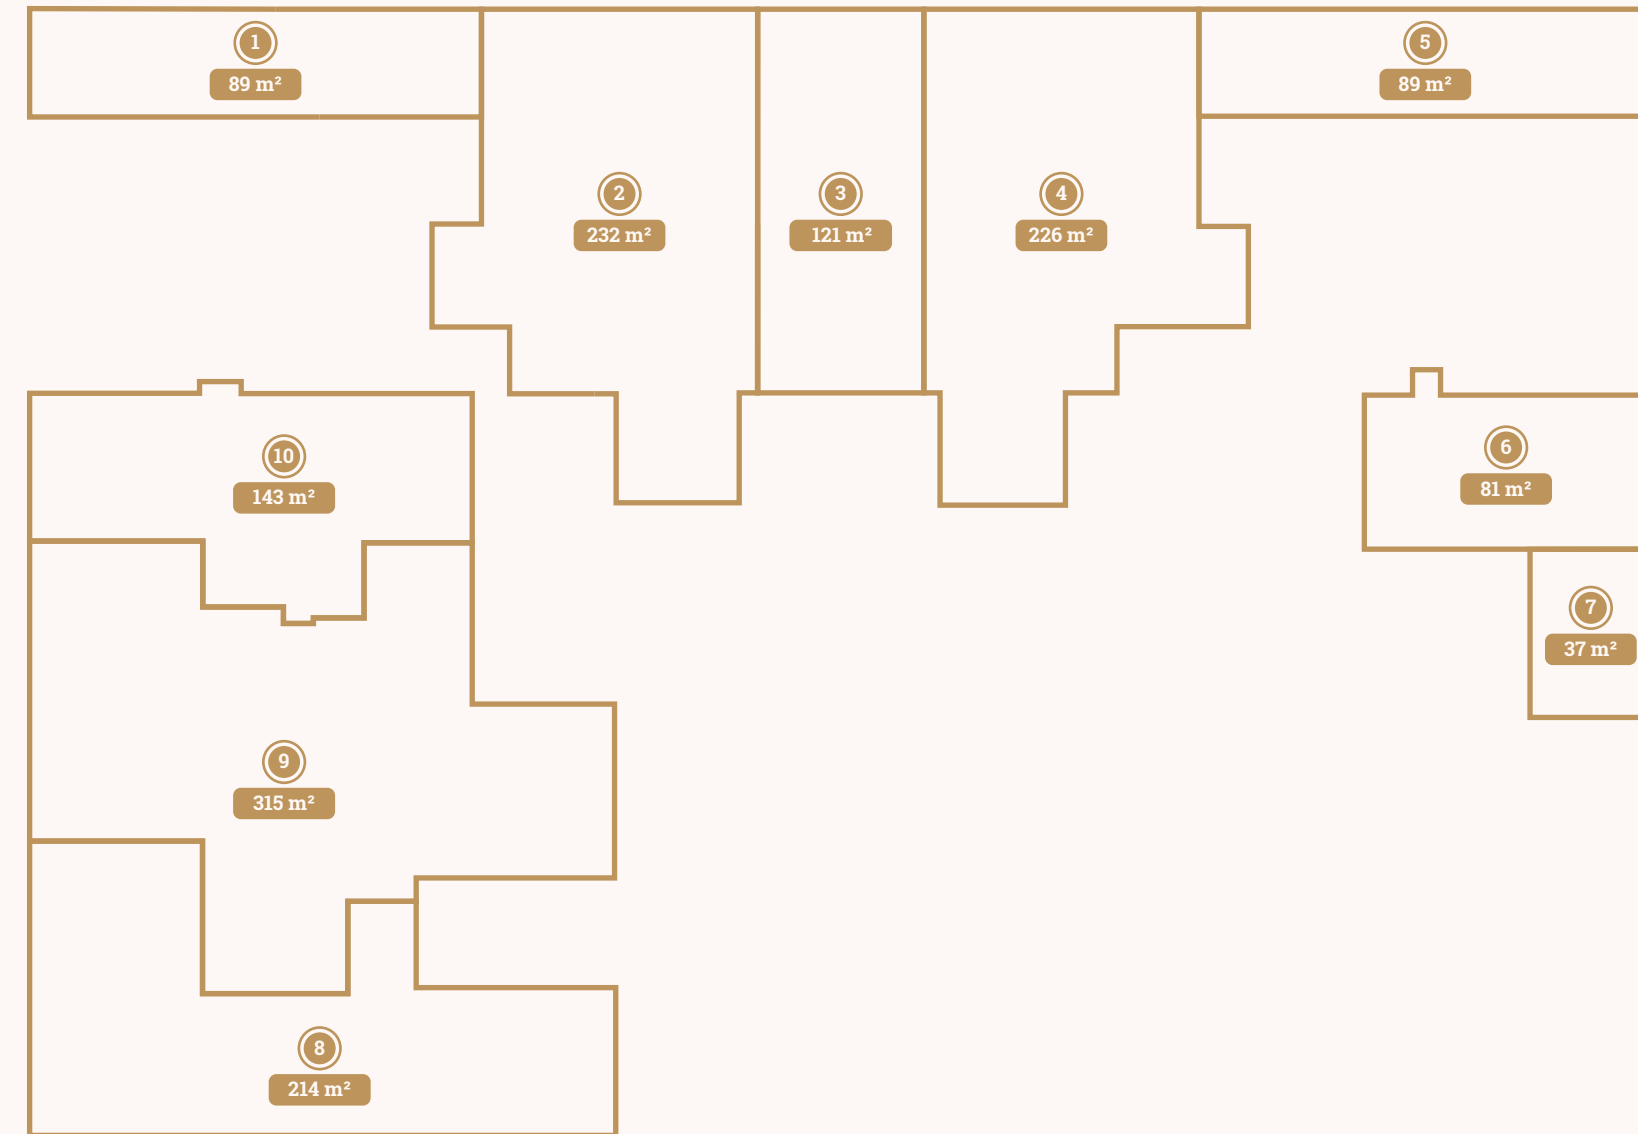

The project is located directly opposite to the Margaret Island, which captivates with its natural beauty, on the Danube River flowing between Buda and Pest. While offering you a unique getaway in the center of the city, it allows you to enjoy your smart investment.

Duna Pearl Courtyard appeals to a wide customer base with the modern architecture of its retail areas. In addition, the project is ready to meet all the needs of 193 homeowners and families, travelers in the 103-room international 4-star business hotel, and hundreds of residents of nearby apartments.

In addition to the bustling life of the residential and business traveler community, not to mention the bustling life of the Danube crossing, Garcia Marquéz Park and Pozsonyi Road, which play a big role in the vitality of the Duna Pearl retail spaces.
